They enrich the text, but they do more—they intelligently explain it, so that many a hitherto obscure passage assumes to thousands a new meaning through these eye-teaching pictures.

### THE GRAND TRIUMPH OF ARTISTIC PERFECTION IS THIS MAGNIFICENT \$5.00 BIBLE

More than 100 of the world's greatest artists, working under the advice of archaeologists and historians of wide renown, have contributed the choicest products of skill and genius to produce this grand triumph of artistic beauty and historical detail. These pictures are not mere reproductions of medieval frescoes and more or less familiar modern photographs, inserted at random; they have been especially made, in the light of Twentieth Century Knowledge to illustrate selected texts in accordance with the matured beliefs of the greatest living theologians.

### Magnificent \$5.00 Edition of the Bible

(See illustration) is bound in full flexible limp leather, with overlapping covers and title stamped in gold, with numerous full-page plates in color from the world famous Tissot collection, together with 600 superb pictures graphically illustrating and making plain the verse in the light of modern Biblical knowledge and research. The text conforms to the authorized edition, is self-pronouncing, with copious marginal references, maps and helps; printed on thin Bible paper; flat opening at all pages; beautiful readable type. Six consecutive free certificates and amount of expense item \$1.18

### The \$3 Illustrated Bible

Is exactly the same as the \$5 book, except in the style of binding, which is in silk cloth; contains all of the illustrations and maps. Six consecutive free certificates and the amount expense item, 81 CENTS

### Also an Edition for Catholics

Through an exclusive arrangement, we have been most fortunate in securing the Catholic Bible, Douay Version, endorsed by Cardinal Gibbons and Archbishop (now Cardinal) Farley, as well as by the various Archbishops of the country. The illustrations consist of the full-page plates and maps approved by the Church, without the Tissot and text pictures. It will be distributed in the same bindings as the Protestant books and at the same amount Expense Items, with the necessary Free Certificates.
